SPEED BORG

RADIO CONTROLLED ROBOT CAR

Double your fun with The Sharper Image® SPEED BORG™ Radio Controlled Robot Car. Watch as this wireless wonder transforms from a menacing robot to a sleek race car right before your eyes!

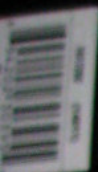

SPEED BORG™ delivers stunt and racing action unlike any other radio control vehicle.

SPEED BORG™ features super-grip knobby tires for all-terrain racing, and can be driven in either robot OR race car mode. Available in 2 frequencies, you can go head-to-head with family and friends for challenging stunts and robotic races!

Includes full-function radio control, one rechargeable Ni-Cad battery pack and plug-in charger.

- Transforms From Robot To Race Car With A Single Button
- Full-Function Wireless Radio Control
- Available In 2 Frequencies For Competitive Racing
- Rechargeable Ni-Cad Battery Pack with Charger Included

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
